This is my rant and credits page. You have no choice but to read it and enjoy it...

Anyways, you might be asking yourself what possessed me to bother translating this specific doujin over all the billions of others out there. There are actually 3 reasons for this. First, I was bored out of my mind. Second, the fourth semester of Japanese got cancelled here and I figured this might be an effective way to learn new kanji and keeping my Japanese up to snuff (P.S: I was right). Third, I noticed this doujin has a REALLY nice font and it was easy to make out all of the text + there are very few kanji and among the kanji that are present, barely any of them are very difficult. There ya go, my reasons for translating this bugger.

I may as well give you a little disclaimer now. Although this is not a parody translation, realize that I'm not some kinda god at speaking Japanese. I will always try to translate my releases as close to their original meaning as possible. However! There will be times where I might translate something wrong or times where I decide that a particular literal translation just doesn't work. Either due to space constraints or due to the fact that it doesn't work well in english. If this ever happens, suffer in silence because I don't want to hear your whining. By reading this doujin, you relinquish any and all rights to whine!

I have opted not to supply an e-mail address because, quite simply, I'm not looking forward to having 5 billion emails flood my inbox with stuff like "you suck" or "You should have done it this way, instead!". Besides, I really don't have time to bother reading e-mails even if they happen to be words of praise. I've gotta finish my degree, after all. Also, I don't have a website so you'll need to find my releases by some other means. That said, I allow any webmasters to host any of my releases on their webpage so long as it is not within a section that requires you pay for its access. This is officially my written permission for you to use any and all of my releases as you see fit on your webpages BUT DO NOT EDIT IT!!! GRRRR!!!

Anyways, enjoy this release.
Whether or not I release something else in the future is a mystery to us all.

あとがき

どうも、ガストさんです。今回も読んでくれてありがとうございます。エヘヘっ。

今回いろいろキャラ出しました。全部で8人だぜ？
なんかすごく大変だった。だってみんな似ねえんだもん。
特にいいんちょ。なんか描いてるうちにはいいと
思ってたんだけど、改めて見るとぜんぜん似てねえ。(涙)
でも今回収穫もあった。明石萌え！いいねっこの娘。
エロっちそうでさ。私的にはエロい娘がストライクなのですよ。
だから、アスナさんとかまき絵ちゃんとかすきなよ。
エロそうでしょ？オレだけ？なんかいかにもエロいですよと
いわんばかりのお姉さんキャラは苦手なんだけど、
なんかこう、純粹なエロさというかナチュラルバカな性格
っていうか、元気で明るくエッチに興味があるっていう
カンジの娘がいいんだなー。ってなに書いてんだろ。

ところで、「ネギま！」さー、もっとセクシーな展開に
もっていってもいいと思うんだよねー。どうスか？
戦いもいいけど、もっとおっぱいやおしりを見せてください。
アニメとかやるんだったら、エッチな展開を希望します。

またバカなこと書きちゃったな。

なにはともあれ読んでくれてありがとうっ。次もぜひ
お手にとってください。ヨロシクねっ。
